Comments (required if answer is **Yes**):

General Appearance of Vehicle: Excellent Good Fair Poor

Comments (required if appearance is **Fair or Poor**):

Important Note to insured: All necessary repairs must be completed within 30 days of the inspection or a written explanation must be provided to your insurance carrier giving the reason for any delay to the repair of the vehicle. A copy of the repair receipt or invoice must be provided to your insurance carrier within 30 days of the repair to the vehicle. Failure to comply with these conditions may result in cancellation of your insurance policy.

Inspection Facility:

By signing this inspection form you certify that you are an independent mechanic and not an employee of the insured. You further verify that the answers and statements provided in this form are a result of your physical inspection of the vehicle identified in the Vehicle Description section and are correct to the best of your knowledge.
